❓ Frequently Asked Questions

What is the purpose of this platform?

A: This platform serves as an advertising venue for independent companions and escort services. We provide a space where adult service providers can promote their services to consenting adults.

Is this platform legal?

Our platform operates in compliance with applicable laws by providing advertising space only. We do not directly provide escort services. However, laws regarding adult services vary by jurisdiction, and users are responsible for ensuring their compliance with local laws.

Do you offer services directly?

No, we do not directly provide escort services. We are merely an advertising platform where independent companions and agencies can post their advertisements.

How do you verify the age of individuals advertised?

All advertisers must represent and warrant that they are of legal age in their jurisdiction. While we require age verification during registration, we cannot guarantee the accuracy of information provided by third-party advertisers.

Can I access this site if I'm under 18?

No. This platform is strictly for adults aged 18 years or older (or the legal age of majority in your jurisdiction). Access by minors is strictly prohibited.

How do I create an account as an advertiser?

To create an advertiser account, click on the "Register" button and follow the verification process. You will need to provide valid identification and agree to our terms of service.

Can I browse advertisements without registering?

Yes, visitors can browse advertisements without registering. However, certain features may require account creation.

How do I delete my account?

To delete your account, log in and navigate to the account settings. Select "Delete Account" and follow the prompts. Please note that this action is irreversible.

How do I book services with an advertiser?

Each advertisement includes contact information or booking instructions provided by the advertiser. All arrangements are made directly between you and the advertiser.

What payment methods do you accept?

As we do not directly provide services, we do not handle payments. Payment arrangements are made directly with advertisers according to their specified methods.

Can I request specific services not mentioned in an advertisement?
You may discuss your preferences directly with the advertiser, but all services must be legal and consensual. Advertisers have the right to decline any requests.

How is my privacy protected?
We implement reasonable security measures to protect your information. However, we cannot guarantee the security of transmitted data. We recommend exercising caution when sharing personal information.

Will my information be shared with third parties?
We do not sell or rent your personal information to third parties without your consent, except as required by law or as necessary to operate our platform.

Are my interactions with advertisers confidential?
While we strive to maintain privacy, we cannot guarantee the confidentiality of communications between users and advertisers. Please exercise discretion.

How do I report inappropriate content?
If you encounter content that violates our terms or applicable laws, please use the "Report" button on the advertisement or contact our support team with details.

What content is prohibited on this platform?
We prohibit content involving minors, non-consensual activities, human trafficking, illegal services, and any content that violates our terms of service or applicable laws.

Why was my advertisement removed?
Advertisements may be removed if they violate our terms of service, contain prohibited content, or are reported by users for legitimate reasons.
